## PRODUCT DESCRIPTION

The C9-250-ENCL is powered by a CAT C9 diesel engine coupled to a Leroy Somer Brushless Alternator. It is supplied complete with lockable access doors and control panel.

The compact modular level 1 & 2 sound attenuated enclosures are designed for added safety and durability.

The C9-250-ENCL is also available as an open set (C9-250) depending on requirements and with additional options.
